

Gonzaga Gains Top Tie In Catholic League; Snow Hits Schedule

CATHOLIC LEAGUE STANDINGS

Team	W	L	T
Gonzaga	1	0	0
St. Anthony's	1	0	0
St. Paul's	0	1	0
St. John's	0	1	0
DeMatha	0	1	0

By Bill Fuchs

Coach Bob Russell of St. Paul's is a convert to the zone defense. Russell, a long-time advocate of the man-for-man type of defense, had a quick change of affection during the third quarter of his team's game with Gonzaga yesterday at Priory. Gonzaga won, 57-38, but St. Paul's held the favored Eagles even during that third period.

"We were having such a hard time holding them on their weave pattern," Russell said, "so between halves I took some pennies out and showed the boys how to work the zone. They had never played it before, but I was well pleased with them."

"I come from New Jersey where they play mostly man-for-man. Usually it takes a long while to teach a zone. But we're going to work on it."

Priory Game Postponed. Gonzaga's victory puts it in a first-place tie with St. Anthony's in the Metropolitan Catholic League standings. The snowfall kept Georgetown Prep from keeping its date with Priory for the other half of the scheduled double-header yesterday. That game will be played Monday.

Tomorrow a double-header at DeMatha, starting at 2 p.m., pits Prep against St. Anthony's and St. John's, the favorite to take the title, against DeMatha.

Joe Kozik, Gonzaga coach, is afraid lack of height will keep his team away from the title. "I've got 15 ballplayers who could make anybody's team," Joe says, "but the trouble is they're not big enough. I've got Mike Williams at 6'4", but he's only a sophomore and not ready yet. The only other boys with any height at all are Mike Lucas and Tom McKavitt, and they both measure about 6'2."

Odd St. Paul Combination. A Mutt-and-Jeff combination is leading St. Paul's this season. Jay Manning stands 6'4 and Bob Herman about 5'2, and together they're being counted about 30 points per game. Manning got 14 yesterday and Herman 13, or all except eight of St. Paul's total.

Don Malo, with eight field goals and five fouls for 26 points, led Gonzaga, which held a 13-6, first-period lead. Malo and Frank DeGirolamo led the Eagles to a 26-15 half-time command. Both teams scored nine points in the third quarter, while St. Paul's experimented with the zone.

The weather wiped out most of the scholastic schedule yesterday and last night, but Washington-Lee, Landon and Douglass of Upper Marlboro overcame the elements and the opposition.

Washington-Lee beat Western, 49-39, for its third straight victory, last night at Stratford Junior High in Arlington. Ted Groom scored 19 points to lead the Generals, while Jim Wexler was high for Western with 17.

Chamberlain Bows to Landon. Chamberlain, which "held" St. Anthony's to a 4-2 victory Thursday, decided to score yesterday at Landon, but the Volts didn't score enough and lost 41-38. Chamberlain led until the final two minutes, when Frank Kimball tied it at 38 with a field goal. Dick Barnett sank a foul with one minute remaining and 30 seconds later clinched it with a goal. Kimball led Landon with 11 points, while Chamberlain's Tony Magnotto was high with 17.

Joe Gant scored 22 points to lead Douglass to an easy 52-23 victory over Manassas at Upper Marlboro.

Warmath Appointed Miss. State Coach

By the Associated Press

STARKVILLE, Miss., Dec. 15.—The man who gave Mississippi State's football teams stalwart forward lines in 1939, 1940 and 1941—Murray Warmath—is the college's new head coach.

Selection of the assistant Army coach to succeed Arthur (Slick) Morton, who resigned last week, was announced here yesterday.

Warmath came here as line coach under Allyn McKee in 1939 after graduating from the University of Tennessee, where he learned his football under Bob Neyland.

During the three seasons he coached the Maroon line, Mississippi State won eight and lost two in 1939, won nine and tied one in 1940 and in 1941 won the mythical Southeastern Conference championship, winning eight, losing one and tying one.

Warmath, whose home is in Humbolt, Tenn., went into the Navy after leaving here and on his discharge went to Tennessee as an assistant coach in 1946. He stayed there through the 1948 season.

Then he went to West Point, where he has been Red Blaik's line coach for the past three years.

Boys' Club Elevens Play For 120-Pound Honors The Metropolitan Police Boys' Club football league closes today with Club No. 10 battling No. 11 for the 120-pound championship. The game was scheduled to start at 11 a.m. at Fairlawn.

No. 11 won the first-half title and No. 10 beat No. 4 last week to win the second-half title.

IT HAPPENED SO QUICKLY—One minute Walter Cartier was on his way to his 21st straight boxing triumph, and the next he was slumping toward the canvas, a victim to Kid Gavilan's savage 10th-round outburst last night at Madison Square Garden. The judges had Cartier out in front of the welterweight champion until Gavilan lowered the boom and won a technical knockout victory.

Title Bout With Dykes Due Next for Gavilan After TKO of Cartier

By the Associated Press

NEW YORK, Dec. 15.—Cuban Kid Gavilan plans to follow up last night's stunning technical knockout win over Walter Cartier, with a Miami defense of his welter title against Bobby Dykes.

"Dykes and Gavilan are already signed," said Al Weill, International Boxing Club matchmaker. "Jim Norris (IBC president) is going down there today to complete arrangements."

The tentative date of the Miami match is late January or the first week in February.

As for Charles Humez of France, the European champ, Gavilan said, "I will fight him. I will fight anybody."

Angel Lopez, Gavilan's manager, claimed he had no word from the National Boxing Association about forcing the Kid to sign for a defense within 10 days. Humez might come next, if anything goes wrong with the Dykes match, but in New York. No Paris for Gavilan.

Gavilan Craves Action. Also in line for Gavilan is a non-title date with Randy Turpin, the former middleweight champ from England. Turpin is coming to New York in February.

The busy Gavilan also wants to fight Rocky Graziano, ex-middleweight king.

Some 4,253 fans braved snow and rain, paying \$23,637 to see the non-title match between Gavilan and Cartier, a heavy punching middleweight from New York's Greenwich Village.

Trailing on the cards of two officials, Gavilan staged a blazing rally to win on a technical knockout over blood-spattered Cartier in 1:31 of the 10th round at Madison Square Garden.

Referee Ruby Goldstein had it 6-2-1 and Judge Billy Healy 5-3-1, both for Cartier. Judge Charley Shortell scored it 5-4 for Gavilan going into the 10th. The AP card had it even, 4-4-1.

Cartier Sprawls in Ring. Stunned and badly hurt from three smashing rights and two uppercuts, Cartier sprawled in midring when Referee Goldstein stopped it without bothering to count.

In the dressing room Cartier pounded a table and moaned, "I had it won. I had it won. I got desperate."

Cartier did trade punches freely in the ninth and 10th, but he had no way of knowing that he had a wide edge in the official scoring.

The third, eighth, ninth and 10th were the best rounds of the interesting match. Cartier concentrated on the body, Gavilan on the head. This time the head punches paid off.

There were no rhumba steps by Gavilan in this desperate battle and little bolo punching. Only when Gavilan came out of his semiquiet did he escape the solid body punching of Cartier.

Julie Keen, 168, of Washington, D. C., knocked out Jerome Richardson, 164½, of New York in the fourth round of a bout following the main event.

Willie Troy, 164, another Washingtonian, turned in an impressive performance in outpointing Dick Anderson, 156½, of Cleveland in a six-round preliminary.

Washington Boys' Club Holding Grid Banquet

The Boys' Club of Washington will hold its annual football banquet at 7 o'clock tonight at the club's headquarters, Twenty-eighth and M streets N.W.

Honored guests will include Coach Joe Gallagher of St. John's, scholastic football titlist, and two St. John's stars, Quarterback Bob Reese and End Ralph Hawkins.

Mike Sommer of Wilson and Bob Govan of Western, who, like Reese and Hawkins, played on WBC teams, also will be honored.

Ten years ago—At the request of the Army, the Rose Bowl site was transferred from Pasadena, Calif., to Durham, N. C., where Duke and Oregon State were scheduled to meet New Year's Day.

Man Gets Long Term For Breaking Into Girl's Bedroom

A 22-year-old man, against whom the Government decided to drop a charge of attempted carnal knowledge, yesterday was sentenced by District Court Judge Charles F. McLaughlin to serve 16 months to four years on a single count of housebreaking.

He is John F. Gavin, listed as having no fixed address. He pleaded guilty last month to breaking into a building in the 200 block of F street N.W., last September, just when a jury was about ready to begin deliberating on both the housebreaking and attempted carnal knowledge charge.

During Gavin's trial, the girl compliant testified Gavin entered her bedroom on the second floor, bit her several times and that she struggled with him to the street. There an unidentified colored man went to her aid.

Assaulted Woman, 80. In another District Court case, Judge David A. Pine gave James A. Hackett, 44, colored, of the 300 block of Dixon court S.W., from 4 to 12 years for attempting to rape a colored woman over 80 years old. The attempted rape was in an alley in rear of the 300 block F street S.W. Police said a colored man in the neighborhood went to the elderly woman's rescue and detained Hackett until police arrived.

The specific charge on which Hackett was sentenced was that of assault with intent to commit rape.

Willie B. Gatling, 33, colored, of Takoma Park, Md., was sentenced by Judge McLaughlin to serve 4 months for negligent homicide for a death by drowning which resulted from a traffic accident.

Car Ran Into Creek. Gatling had pleaded guilty to the negligent homicide charge, after having been indicted on the more serious charge of manslaughter in the death of Jack Pixley, 54, colored, of the 4900 block of Benning road S.E.

Mr. Pixley was drowned, police said, when an automobile operated by Gatling, in which Mr. Pixley was a passenger, ran through a barricade and into a creek near Mr. Pixley's home last September. The indictment said Mr. Pixley died from drowning.

Raymond Barnes, 38, colored, of the 1700 block of New Jersey avenue N.W., was given a year in jail for striking his mother, Mrs. Flay Chase, 65, with whom he lived. Barnes had pleaded guilty to simple assault. Sentence was by Judge Edward M. Curran.

Ft. Myer Tops Langley For Sixth Straight

Fort Myer has a six-game winning streak to its credit today, thanks to a narrow, 71-70 overtime victory over Langley (Va.) Air Force Base last night at Fort Myer.

Tommy O'Keefe, who also stars for the pro Caps, lead the undefeated Soldiers with 26 points. O'Keefe fouled out just before the end of the fourth quarter.

Terps

(Continued From Page A-10.)

year and cannot match that sum against any other opposition.

The secretary-treasurer of the conference, D. S. McAllister of The Citadel, a neighboring school of Clemson and rival of the Tigers in all sports but football next year, asked for modified disciplinary action instead of the severe probation. He said he believed the penalty too severe.

After the penalty had been announced and voted upon, Lee W. Filford, faculty representative of Clemson, severely criticized the college presidents, telling them they made a serious mistake in taking action against bowls on September 28, after the season began.

Faculty Chairmen Rebuked. "If the faculty chairmen used their best judgment and their consciences instead of having their hands tied by the presidents they would have voted approval for these schools to go to a bowl," he said. "You are punishing the opponents of these teams, a punishment they do not deserve."

Gordon Gray, president of the University of North Carolina and host to the September 28 meeting at which the presidents recommended the bowl ban, answered Milford in a long speech, full of dramatics, but little concrete information. His main points were that Maryland and Clemson clearly violated the intention of the presidents expressed in their recommendation.

"The eyes of the education as well as the sports world are on us tonight," he said.

There were rumblings among a number of the delegates, after Presidents Eden of Duke and Gray of North Carolina had done most of the talking on the probation, that North Carolina schools always tried to run the conference and still are doing all right. Neither Eden nor Gray was head of his institution when Duke and North Carolina were veterans of bowl participation.

Terps Acted in Good Faith. In Dr. Byrd's reference to the September meeting of the presidents, which he did not attend and in which Maryland abstained from voting, he said the presidents only recommended that schools not play in bowl games.

"We acted in good faith in accepting the sports bowl bid," he said. "Who can say we were in defiance of anybody? I believe the presidents' action was taken hastily," he added, "and the University of Maryland did not feel it binding."

He pointed out that he was the only living charter member of the first Southern Conference Committee and that Maryland in 31 years always had the best interest of the conference at heart and always was for higher standards in intercollegiate athletics.

Five years ago—the Chicago Bears captured their seventh National Football League championship by defeating the New York Giants, 24-14.

WANGER MOVES OUT—Beverly Hills.—Walter Wanger, Hollywood film producer, and an unidentified maid carry out his trunk as Mr. Wanger moves out of his home where he and his actress wife, Joan Bennett, live. Mr. Wanger is free on bail following the shooting of his wife's agent, Jennings Lang. The producer told newsmen he was moving to an apartment.

Miss Bennett, flanked by her attorney, Grant Cooper, sits in the bedroom of her home as she reads a statement to reporters about the Lang shooting. Miss Bennett said her husband has been worried recently about money matters. Mr. Cooper is holding a microphone for newsreel cameras. —AP Wirephotos.

Walter Wanger to Face Court In Shooting, Prosecutor Insists

By the Associated Press

BEVERLY HILLS, Calif., Dec. 15.—The district attorney says he will prosecute Movie Producer Walter Wanger for felonious assault, despite any efforts that may be made to prevent him from being tried for shooting the agent of his actress wife, Joan Bennett.

Prosecutor S. Ernest Roll, taking cognizance of reports that the agent, Jennings Lang, might decline actively to prosecute Wanger, issued this statement:

"If the police sign a complaint, and Chief Clinton Anderson says he will, this office will prosecute the case regardless of the desires of the participants."

May Lodge Complaint Today. Mr. Roll said the complaint may be filed today.

He said he had warned Mr. Lang's attorney, Oliver Schwab, that his client would be moved to the Los Angeles General Hospital prison, ward if the district attorney's deputies were prevented from talking to Mr. Lang.

An appointment was agreed upon after Mr. Roll added, for the deputies to visit Mr. Lang today in his hospital room, to take an official statement from him.

Mr. Lang, shot in the groin, was progressing satisfactorily in a hospital. He underwent surgery Thursday night, a few hours after he was shot while he talked to Miss Bennett in a parking lot.

Leaves \$140,000 Home. Mr. Lang, 39-year-old representative of Music Corp. of America assigned to West Coast television talent, was given two blood transfusions.

Wanger yesterday moved out, bag and baggage, from the \$140,000 residence of Miss Bennett, after he was released on \$5,000 bail.

While Miss Bennett visited a friend, Wanger drove to their home, loaded a steamer trunk, several suitcases and two overcoats into his car, and said he was moving to an apartment. He refused to make any statement on the possibility of a divorce.

He talked to both his children and hugged them. He was especially concerned about Stephanie, 7, who has a virus infection. The other daughter, Shelley, is 3.

No Romance, Miss Bennett Says. Shortly after his arrest, Wanger blamed Mr. Lang for what he said was a change in Miss Bennett's attitude toward him, and Chief Anderson quoted the producer: "I

Grady Voices Hope For Conciliation in Iran Oil Crisis

By the Associated Press

Former Ambassador Henry F. Grady said today the oil crisis in Iran stems in large part from the "stubborn, uncompromising attitude" of the Anglo-Iranian Oil Co. before nationalization.

Mr. Grady expressed belief, however, that Premier Mossadegh's government should have accepted the "liberal offer" by the British later in the crisis.

Mr. Grady, who recently resigned as Ambassador to Iran, said in an article in the Foreign Policy Bulletin that "time is running out fast." He voiced hope that "reasonableness and conciliation will at the last minute save Iran and possibly the world from disaster."

"If not settled soon, the controversy can create conditions in Iran under which a Communist coup could take place and Iran might be drawn behind the Iron Curtain," he said. "Such a development might even lead to World War III."

"The British so far have been very much inclined to regard the oil problem in Iran as entirely their affair. But if we are going to be in on the crash landing, we should be in on the take-off."

The former envoy said that the British Foreign Office, "despite our earnest urgings," did nothing "to correct the stubborn, uncompromising attitude of the oil company until nationalization had taken place."

He said the United States Government failed by not insisting more than a year ago that the problem did vitally concern the United States and that the "colonial approach" of the oil company was certain to be ineffectual.

River Island Combed In Search for Flyer

By the Associated Press

NATCHEZ, Miss., Dec. 15.—Air Force investigators searched a desolate island in an old channel of the Mississippi River today for some clue to the fate of the pilot of a jet plane that exploded and crashed in the "Devil's Punch-bowl" near here.

An unidentified fisherman was reported to have told them he saw something leave the plane as it flew low over Giles Island moments before the plane crashed into high bluffs yesterday.

The officers said one plane took off from the Alexandria base at 10:20 a.m. (CST) yesterday and was last heard from when the pilot radioed he was in trouble at 8,000 feet altitude. He did not give his geographic location.

Investigators believe the pilot may have catapulted himself from the plane when he saw he was going to crash.

Trial Examiners File Suit On New Civil Service Rules

The Federal Trial Examiners Conference, its officers and 24 other individuals yesterday brought suit asking District Court to enjoin the Civil Service Commission and others from carrying out rules adopted by the CSC in September, dealing with Federal hearing examiners.

According to the suit, the rules placed in effect by the commission pertain to the "appointment, compensation and removal of hearing examiners."

The new rules, the suit contends, give to other agencies powers that should rest only with the Civil Service Commission. The complaint asks for an injunction "to prevent the destruction of the independent status of hearing examiners," and for a "declaratory judgment to protect and preserve that status."

The Trial Examiners Conference has a membership of about 150 hearing examiners, appointed pursuant to the Administrative Procedure Act and employed by agencies of the Government, the suit said.

The suit names as defendants both the Civil Service Commission and members of the National Labor Relations Board. It charges the NLRB has "unlawfully removed or attempted to remove hearing examiners without good cause."

Worcester Police Seek Motive in Double Slaying

By the Associated Press

WORCESTER, Mass., Dec. 15.—Police today were seeking the motive for a double slaying in which Dr. O. Draper Phelps, 70, was shot and killed in his office yesterday by a 60-year-old patient who then killed himself.

Police identified the assailant as Diogenes Boudouvis, a semi-retired restaurateur who had been under the doctor's care for the past year.

Dr. Phelps' body was found on the floor. Boudouvis was sprawled on the doctor's couch, a bullet wound in the head. He died shortly after admittance to City Hospital without regaining consciousness. A 38 caliber revolver was found beside Boudouvis.

Police quoted Miss Lucy A. Phelps, 79, the doctor's cousin, as saying Boudouvis fired at the physician, then turned the gun on himself.

Medical Examiner John C. Ward gave a verdict of murder and suicide.

Trinity College Concert

The Trinity College Glee Club and choir, under the direction of Mrs. Lucille Tingle Masson, will present its Christmas concert at 4 p.m. tomorrow in the college chapel. Soloists include Miss Patricia Buckley, Miss Betty Harkins and Miss Joan Mitchell.
